

Stage 3 and Stage 3a Water Restrictions

Exempt Playing Surfaces

This document outlines options for exempt playing surfaces for Stage 3 and Stage 3a water restrictions.

Option 1

Comply with the hours and methods as outlined in the Drought Response Plan.

Option 2

If sporting clubs are unable to comply with the methods and hours as outlined in the Drought Response Plan, please see the guidelines below for Water Conservation Plans that can be lodged for sports playing surfaces.

All customers are encouraged to undertake additional water saving initiatives including the installation of water efficient shower heads, dual flush toilets and rainwater tanks. For more information on water saving products contact your water utility.
